In Loving Memory
Effie V. P.
 February 15

A picture or a memory
 bring you so very close
 us. You were a loving mother
 to Kathie Anne and Wall
 and to his wife Linda; a
 loving Granny to Brynn and
 Nicholas. You are sadly
 missed at the bridge table
 and world travel just isn't
 the same without you.
 -With Love from Your Family
 P.S. And Mom, you'll always
 remain my best friend and
 feel your presence daily
 love, K.A.
